

# FAMILY CHURCH: Even more Easter!

## SING:

Pick a song to help you worship through singing or dancing or just sitting down grumpily...

**King of the Giants:** <https://www.youtube.com/watch?v=F9zWwltpMOc>

**God of Science:** <https://www.youtube.com/watch?v=uqoYaksgnc0>

**Shine:** <https://www.youtube.com/watch?v=zVLG-aVKRMc>

## PLAY:

We can also worship through having fun and playing a game. So get your selves a pen and some paper, then split into a couple of teams. See which team can think of the most different things in these categories, time 2 minutes for each category and then add up what you got - but you only get a point if the other team *didn't* get the same answer!

**Categories:** Things to do with New Life, People in the biblical Easter story, Type of Chocolate Egg, Animals that lay eggs (or think of your own categories.)

## WATCH:

Join Nat as she leads Virtual Sunday School session with a story, prayers and craft activities.

To do all the crafts you will need: pen & paper, food dye and a hard-boiled egg per person!

## THIS WEEK:

**Stop:** Take a moment each to day to stop and be thankful for all the good things that you have, all the good people in your life (even if you can't be with them all at the moment) and all the good things that Jesus has done for you.

**Look:** Easter is all about Jesus bringing new life to all of us so on your daily walk, or when you are out in the garden, look around for signs of new life - buds or blossom on trees, birds building nests, butterflies coming out of cocoons - spring sees so much life return after winter!

**Listen:** Jesus died and rose again so that we can all share in new life with him. And the best way to use that new life is to follow him by doing good, so listen out for opportunities for you to do good things in your house or for your family. Maybe there's even ways for your to help other people in your street or town!
