

FAMILY CHURCH: Paul and Silas

SING:

Pick a song to help you worship through singing or dancing (or sitting down grumpily...)

PLAY:

We can also worship through having fun and playing a game. You will need 3 cups and 3 toys that will fit inside them! Choose one toy to represent Paul, one to be Silas and one to be the Guard. Put the cups over the three characters and get the children to close their eyes. Mix up the cups and then they should choose a cup and look underneath - if it's Paul or Silas they survive, if you find the Guard you are out!

WATCH:

Join Nat as she leads Virtual Sunday School session with a story, prayers and craft activities.

To do the activities you will need: pens, paper, scissors + sellotape, glue or stapler.

THIS WEEK:

Stop: Take some time to think about what you have had to sacrifice because of the Quarantine. What have you missed? What have you given up? Talk about how that makes you feel. We can give our worries to Jesus, he understands what we feel. Maybe you could draw a picture or write a letter to show what you have sacrificed to keep people safe in the last few weeks.

Look: This is a challenge to be thankful! We are actually very lucky to be able to stay inside and stay safe from the virus. If this had happened in the past our lives would have been much more difficult! Use the sheet below to look around your house - see what items you wouldn't have had 20, 50 or 100 years ago. How different would things have been back then? Then pray about it and give thanks to God for all the things we have now to make life at home much easier.

Listen: It's not just people in history who had it tough, many people in our world today will be struggling. Can you think of any groups of people who aren't able to stay at home or stay safe? Can you think of things people might need not have that they would need at this time? Can you think of anyone who's ill that we could pray for?

LOOK AROUND YOUR HOUSE

What can you see that would have been in a house back in the olden days?
