

Christchurch Hitchin: Risk Assessment for the Sanctuary

Considerations re using or hiring premises during the Covid-19 pandemic. This document covers the sanctuary; there are separate documents for the hall & rooms and for the Silver Birch area

There is just one principal risk at Christchurch: the transmission of the Covid-19 infection from one person to another. There are many circumstances in which this could happen. The trustees seek to mitigate the prospect of any transmission by recognising the risks or circumstances where transmission is possible and introducing mitigating action by the trustees, facilitators, and users/hirers¹.

The building can be considered as in three parts:

A sanctuary (where the organ is), external entrance at main door, welcome area, lobby; exit through pink lounge

B hall and rooms 3, 4, 10 and 11, external entrance at main door, 3 toilets on corridor; exit through pink lounge

C Silver Birch, (rooms 5 and 8), external entrance beside small kitchen, 2 toilets; exit by same door as entrance. This also provides 24hr entrance to the Phase office (room 9)

¹ 'users' are those attending in-house events organised by or for the church members; 'hirers' are those external organisations that hire church accommodation

In no case may attendees at events consume food on the premises. This applies to both users and hirers.

From 01 October 2020, users and hirers will be able to drink water obtained from taps in the building but they must provide their own drinking vessels, bring the vessels with them and take them home after the event. The vessels should not be shared with others outside their household. No hot water will be available for making hot drinks.

Christchurch has appointed contract cleaners to ensure that the premises are as clean as possible and suitable to meet the hirers' needs within the church's overall safeguarding restrictions. It will be unusual for there to be more than one event in any one part (A, B or C). Where it is necessary for the hirer of Part A to have access to the nearby 3 toilets, Part B may be closed. Alternatively, if Parts A and B have contemporaneous events but there is no event in Part C, A may use the nearby 3 toilets if those in charge of Part B are willing to use the 2 toilets in Part C. This needs careful management before the event, during the event and after the event, including close liaison with the professional cleaners.

Whatever the event and whoever the hirer, the persons in charge are to prepare their own risk assessments (RAs) and clear them with JGC before the event. The hirers' Ras should indicate acceptance and adoption of this RA. The RAs should be made available to those entitled to come to the events eg by email or on the organisation's website. The Christchurch RAs can be viewed on the Christchurch website.

Hirers who have been happy in rooms 3, 4, 5 or 8 may wish to move to the hall or the sanctuary in order to maintain social distancing and accommodate as many as want to come to their event.

The maximum number of households, with a mix of size of household, that can be accommodated in the Sanctuary is 20 (48 persons) at 2m social distancing and in the Hall is 30 single person households at 2m social distancing and assuming no paraphernalia. About 100 can be accommodated in the Sanctuary if all households are two persons and the social distancing is at 1m. This assumes all are seated.

This risk assessment will form part of the hiring agreement. It is a condition of the licence to occupy that hirers will prepare their own risk assessments and will discuss them with JGC on behalf of the Christchurch trustees before their first event after the church re-opens. There is also a 10 point Appendix (dated 20200816) to the licence a copy of which must be signed by every hirer.

Numbers in brackets in first column below refer to an earlier mention of the risk in this document

No	Risk/Circumstance	Mitigation	Trustees' responsibility	Hirers' responsibility	Done
<i>1</i>	<i>Before leaving home and before event starts</i>				
1	Christchurch car park is full	Use NHDC car park opposite Christchurch and accessible from Paynes Park		Hirer to advise attendees No parking outside marked areas in Church car park
